Whitby ranks with Scarborough as one of the most popular seaside resorts of Yorkshire. It is situated on the estuary of the River Esk, two piers erected at the river's mouth making an excellent harbour. The town is divided into two parts by the river, the western side containing the fashionable and more modern part of the town, while the old town and fishing village are situated on the East Cliff on the opposite side of the river.

Dear Gran, We are
spending the day
here to-day. It
isn't as nice as
Scarborough though.
Love from all
